

GRI Standard Reference Index

TDC NET 2021

GRI Standard Reference Index

TDC Net's reporting is informed by the Global Reporting Initiative (GRI) Standards. GRI is an independent, international organisation which provides standards that are widely used for harmonised ESG reporting. The standards mentioned in the table below have been identified as material to our ESG related reporting. In the table we refer to documents, webpages, and other publicly available information and we explain the content when necessary.

Our Sustainability Report (SR) is available [here](#).

Our Annual Report (AR) is available [here](#).

Our Sustainability Policy is available [here](#).

Our ESG Accounting Principles are available [here](#).

Our Whistle-blower policy is available [here](#).

Our Partner Code of Conduct is available [here](#).

Our Data Ethics policy is available [here](#).

Our Anti-Corruption & Gift policy is available [here](#).

Our data privacy notice is available [here](#).

Our remuneration policy is available [here](#).

TDC NET's Articles of Association is available [here](#).
